14 Mar 2022

Dear Mr Gresta

This letter is to confirm that we have received a request from your GP about your musculoskeletal (MSK) condition, asking us to arrange an NHS appointment for you. You have recently spoken to a member of our team and have agreed the appointment details shown below. Please find enclosed a map with transport links and parking details. Also enclosed is a service information leaflet for your reference. **Please keep this information safe.**

<b>Appointment Date:</b> Tuesday 12 April 2022	<b>Appointment Time:</b> 12:30
<b>Clinic:</b> AP - Spine - Assessment Rm 2 Guy CANBY,	
<b>Clinic Address:</b> Eastbourne Healthcare Ptnr, Wartling Rd, BN22 7PF	
<b>Your NHS Number:</b> 707 664 0376	

If you need to change your choice of clinician, your appointment time or have any other queries, please call **0300 300 0003** (local call rate, 08:00 – 18:00 Monday to Fridays. Our phone lines are closed from 12:00 – 14:00). Alternatively, please email [sussexmskeast.contact@nhs.net](mailto:sussexmskeast.contact@nhs.net)

There is a high demand for this service and each appointment is valuable. Any missed appointment can cost the NHS up to £120 and adds to waiting times. Please afford us as much time as possible if you are unable to attend so that we can continue to utilise all available clinic time effectively. Thank you.

**COVID-19:** If you or any member of your household experience any of the following symptoms prior to your appointment, please DO NOT attend your appointment and instead contact Sussex MSK Partnership East to rearrange your appointment:

- A new, continuous cough.
- A high temperature.
- A loss or change in your normal sense of smell or taste.

If you have these symptoms, you must also contact NHS 111 for advice and guidance.

Yours sincerely,

Sussex MSK Partnership East
