OGGETTO: Richiesta di rilascio immediato di tutta la documentazione relativa al caso del Sig. Riccardo Gresta – Procedimenti legali in Italia e in giurisdizioni internazionali

Egregi Signori,

Agisco in nome e per conto del Sig. Riccardo Gresta, cittadino italiano e britannico attualmente residente in Italia, in relazione al procedimento penale (Case Number S [REDACTED]) in cui è stato condannato il 22 dicembre 2022, a seguito di una dichiarazione di colpevolezza presentata presso l'Hastings Magistrates' Court e della successiva sentenza pronunciata presso la Lewes Crown Court.

Nonostante le ripetute richieste inviate direttamente dal Sig. Gresta al Vostro studio e alla Corte, egli non ha mai ricevuto il documento ufficiale di condanna (dispositivo e motivazione), né gli è stato mai fornito il fascicolo completo del caso o i materiali di disclosure difensiva.

Si segnala che sono ora in corso formali procedimenti legali in Italia e a livello europeo e internazionale, a tutela dei diritti professionali e personali del Sig. Gresta, della sua reputazione e della sua posizione giuridica – tutti gravemente compromessi dal danno reputazionale persistente derivante dalla condanna nel Regno Unito e dalla pubblicazione della stessa da parte dell'ufficio stampa dell'ESCC, nonostante i molteplici esercizi del diritto all'oblio conformi al GDPR.

Pertanto, con il presente mandato, richiedo formalmente il rilascio immediato dei seguenti documenti, in versione completa e non oscurata:

- 1. Registro ufficiale della sentenza e relative motivazioni della Crown Court (Lewes, 22 dicembre 2022);**
- 2. Tutti i fascicoli difensivi e accusatori completi, compreso il materiale non utilizzato, la corrispondenza e le istruzioni;**
- 3. Tutte le comunicazioni intercorse tra il Vostro studio e la Crown Prosecution Service, i Probation Services, i funzionari dell'ESCC (inclusi il Sig. Mark Jobling e la Sig.ra Stefany Thuoy) e la CCRC;**
- 4. Ogni documento inviato o ricevuto durante l'indagine della CCRC, inclusi, ma non solo, le richieste e le risposte del Review Manager e dei Commissari.**

Si evidenzia che il mancato invio di tali documenti entro 10 giorni lavorativi dalla data della presente, sarà considerato un ostacolo all'esercizio del diritto di difesa e potrà costituire violazione dei diritti del Sig. Gresta ai sensi di:

*Articolo 6 CEDU (Diritto a un equo processo),
Articoli 8 e 10 CEDU(Diritto alla privacy e alla libertà di espressione),
Articoli 15, 16 e 17 GDPR dell'UE,
e della normativa processuale italiana di cui al D.P.R. 396/2000 e alla L. 241/1990.
In mancanza di una Vostra risposta entro il termine sopra indicato, ci riserviamo il diritto di
procedere con azioni legali e disciplinari sia in Italia che nel Regno Unito.
Si informa che l'omissione della documentazione richiesta costringerà il mio assistito,
nell'esercizio del proprio legittimo diritto di difesa, a rendere pubblica, tramite una
piattaforma ospitata nell'UE, una ricostruzione del caso basata esclusivamente sulla
documentazione attualmente disponibile, con chiara indicazione delle informazioni o
degli atti trattenuti o negati.
Tale pubblicazione sarà effettuata unicamente nei limiti consentiti dalla normativa
applicabile (inclusi, a titolo esemplificativo e non esaustivo, il GDPR, le disposizioni
italiane ed europee in materia di privacy, diffamazione e tutela della reputazione), con
esclusione espressa di qualsiasi contenuto non conforme alla legge."*

Subject: Formal Request for Immediate Release of All Documentation Relating to Mr Riccardo Gresta's Case – Legal Proceedings in Italy and International Jurisdictions

Dear Sirs,

I act on behalf of Mr Riccardo Gresta, an Italian and British citizen currently residing in Italy, in relation to the criminal proceedings (Case Number S20220279) in which he was convicted on 22 December 2022, following a guilty plea entered before Hastings Magistrates' Court and the subsequent sentencing at Lewes Crown Court.

Despite repeated requests made directly by Mr Gresta to your firm and to the Court, he has never received the official conviction document (judgment and reasoning), nor has he ever been provided with the complete case file or the disclosure materials necessary for his defence.

Please, be advised that formal legal proceedings are now underway in Italy, as well as at European and international level, aimed at safeguarding Mr Gresta's professional and personal rights, his reputation, and his legal standing – all of which have been gravely compromised by the continuing reputational damage arising from the UK conviction and its unlawful publication by ESCC's press office, notwithstanding multiple valid GDPR "right to be forgotten" requests.

Accordingly, under this mandate, I hereby formally request the immediate release of the following documents, in full and unredacted form:

- 1. The official record of judgment and reasoning of the Crown Court (Lewes, 22 December 2022);*
- 2. The complete defence and prosecution case files, including unused material, correspondence, and instructions;*
- 3. All communications exchanged between your firm and the Crown Prosecution Service, the Probation Services, ESCC officials (including Mr Mark Jobling and Ms Stefany Thuoy), and the CCRC;*
- 4. Every document sent or received during the CCRC investigation, including but not limited to requests and responses by the Review Manager and the Commissioners.*

Failure to provide such documents within 10 working days from the date of this letter shall be regarded as a direct impediment to the exercise of Mr Gresta's right of defence and may amount to a breach of his rights under:

- *Article 6 ECHR (Right to a fair trial),*
- *Articles 8 and 10 ECHR (Right to privacy and freedom of expression),*
- *Articles 15, 16, and 17 GDPR,*
- *Italian procedural legislation (D.P.R. 396/2000 and Law No. 241/1990).*

Absent a response within the above timeframe, we reserve the right to pursue legal and disciplinary actions both in Italy and the United Kingdom.

Furthermore, the omission of the requested documentation will compel Mr. R. Gresta, in the legitimate exercise of his right of defence (Article 6 ECHR, Article 24 Italian Constitution), to proceed with the public disclosure of a reconstruction of the case based exclusively on the materials currently in his possession, expressly indicating the information or documents withheld.

Such disclosure shall be carried out strictly within the limits permitted by applicable law (including GDPR, Italian and European provisions on privacy, defamation, and protection of reputation), with the express exclusion of any content not legally compliant.

Please transmit the requested materials electronically to:

This communication serves as an addendum to my previous SAR request dated 24 August 2025, providing further clarifications and specifications. It is understood that this integration does not in any way alter the time limits established by the applicable legislation, nor does it affect the original deadline for response, which remains set at one month from the date of the initial request.

Subject: Data Subject Access Request under Article 15 GDPR and Section 45 UK Data Protection Act 2018 – Case Ref: S20220279 – Final Notice and Request for Clarification of Representation Status

Dear Sir/Madam,

*I am writing to formally submit a **Data Subject Access Request (SAR)** pursuant to **Article 15 of the General Data Protection Regulation (GDPR)** and **Section 45 of the UK Data Protection Act 2018**, in accordance with my fundamental rights under **Articles 6 and 8 of the European Convention on Human Rights (ECHR)**.*

Despite multiple prior requests, I have not been granted access to the full documentation pertaining to my case, which continues to obstruct my right to a fair trial and to private life. Accordingly, I hereby request that you provide, without undue delay and within one calendar month, a complete copy of all personal data held by your firm in any format, including but not limited to:

- *The full client case file relating to **Ref: S20220279***
- *The official conviction document issued by **Lewes Crown Court on 22 December 2022***
- *All correspondence exchanged with my former legal representatives*
- *All materials received from prosecuting authorities (East Sussex County Council, CPS, etc.)*
- *Any internal notes, memoranda, email chains, metadata, and handwritten annotations*

This request applies to all data held in both digital and physical formats, regardless of origin or medium.

*In addition, I require **formal clarification of your current status as legal representatives** in the aforementioned matter. To date, no **Notice of Change of Solicitor** appears to have been filed with the court, nor have I received any formal notification of termination of your mandate. As a result, the court continues to regard Stephen Rimmer LLP as my legal counsel and has refused to release the case file directly to me.*

I therefore request the following:

- 1. A copy of the **Notice of Change of Solicitor**, if one has been filed*
- 2. If no such notice has been submitted, I request that you proceed with its immediate filing, or alternatively, provide written confirmation authorising me to file a **Notice of Acting in Person***
- 3. Clarification regarding the professional undertaking made by **Ms Noelle Magennis**, Partner at your firm, who stated on 15 December 2024 via email: “Sure no problem I get you them”, in response to my request for documentation. This statement constitutes a professional commitment and must be honoured accordingly*

*Please be advised that any refusal, omission, or unjustified restriction will be considered a **wilful obstruction of my data subject rights** under the GDPR and the UK Data Protection Act 2018.*

*Failure to comply will be reported to the **Information Commissioner’s Office (ICO)** and may be raised before the competent judicial authorities in **Italy, the United Kingdom, and at European level**.*

*Furthermore, should the requested documentation continue to be withheld, I shall be compelled—within the legitimate exercise of my right of defence (Article 6 ECHR, Article 24 Italian Constitution)—to proceed with the **public disclosure of a reconstruction of the case** based solely on the materials currently in my possession, explicitly indicating the information and documents withheld. Such disclosure will be carried out strictly within the limits permitted by applicable law, including GDPR, and relevant provisions on privacy, defamation, and protection of reputation, with the express exclusion of any content not legally compliant. This disclosure is not intended to harm any party, but to restore the balance of justice and ensure that my fundamental rights—so far denied—are publicly acknowledged and legally defended.*

*Please treat this letter as a **final notice prior to escalation** to the relevant authorities.*

I trust you will proceed with the immediate and complete transmission of the requested materials to the email address provided above.

For the avoidance of doubt, I confirm that Mr Paolo Pucciarmati, Attorney-at-Law and member of the Rome Bar Association (No. A43331), is fully authorised to act on my behalf in all matters relating to this case, including but not limited to legal correspondence, formal submissions, and the exercise of my rights.

Yours faithfully,

Riccardo Gresta
