Dear Mr Gresta

Thank you for your letter attached. Your letter has been forwarded to me in the Complaints and Feedback Team so I can arrange an investigation and response to your concerns under the Adult Social Care (ASC) complaints process.

From your letter I understand your complaints to be:

- The letter to you dated 3 May contains false and offensive statements and you are considering legal action.
- You say one of the false statements was being observed walking towards Cavendish Place by the Assessor without difficulty. You would like the name of the assessor so you can bring them to court for slander.
- You do not believe your consultant at Hurstwood Park was called as part of the Blue Badge assessment process.
- Your previous statements in your letter of 22 April are still live.

RE: Blue Badge Application - Ref: 6050735

- You feel ASC has invented reasons not to provide a Blue Badge.

I understand the outcomes you are seeking are:

- A response to your correspondence.
- The name of the assessor.

I will arrange an investigation in to your complaint and we will aim to respond to you within twenty working days. I have attached information about our complaints process and advocacy services that you may find useful. Please do contact me in the meantime if you need to.

Kind regards
